Bulbs, Plants and Seeds

Route No. 2

HAMBURG, NEW YORK

READ BEFORE ORDERING

TERMS OF SALE—

Cash, or 25% down and balance C. O. D. Orders held to April 1st. Ten bulbs at 100 rate, 1000 bulbs at nine times the 100 rate; for smaller quantity, unless specified, add 10% to List Prices; 5000 bulbs or bulblets at four and a half times the 1000 rate.

DISCOUNTS—

For cash in full with order we allow 5% discount.

On cash orders of \$50.00 or more you may take a discount of 10%; and on cash orders of \$100.00 or more a discount of 15%.

SPECIAL QUOTATIONS—

This list covers all itemized quotations for single items in large or small quantity, with discounts as above.

If you can use considerable stock and want special prices quoted, we will be pleased to make them, but only as "LOT" quotations. No itemized list of prices sent, but one lot price on your entire list. Send us your list and we will quote in full or alter it to correspond to the various quantities on hand and hold subject to your instructions by wire only. We will not itemize prices, but give a single "LOT" prices as stock proves available; in this manner we can quote you prices on the highest quality stock as low as any grower in the country, because it allows us to sell in quantity the surplus of which we have ample stocks, and will not deplete our limited stocks.

ORDERS—

All orders are received subject to prior sale, and are shipped postpaid or express prepaid. Orders of large value are usually sent express; in particular, when cold weather prevails.

QUALITY AND SERVICE—

The bulbs offered in this list are grown in a soil and climate that produces some of the finest quality in the world; no better bulbs can be grown in any climate. We have ample proof to sustain these claims. See some of the many letters we receive as printed in our Retail List and which prove by severest test the contention that our young bulbs, first and second-year stock, grown and handled in the most approved and scientific manner, cannot be excelled by any *Gladiolus* grown.

GUARANTEE—

Our service and the quality of our stock is our best guarantee. We exercise the greatest care to send out only healthy, true-to-name stock; should any bulb or bulbs prove untrue, we will replace same 3 for 1 that prove untrue, or refund the purchase price paid. We cannot, of course, guarantee the results you will obtain or be held otherwise responsible for the crop.
